

Soft Power. Hard Facts. New Networks for New Times

The world is changing. Very fast. For Britain, British-based brands and businesses, Brexit adds a new, complex dimension.

Networking Nations from Editorial Intelligence helps build new networks beyond Britain and provides cut-through clarity on the key players, issues and developments.

Members join either at a corporate level to engage their brand with our output of seminars, roundtables and publications or they can be individuals who are part of our wider Editorial Intelligence network who wish to take advantage of Networking Nations opportunities too. Companies and organisations who engage with us include : *Aspall, Clear Channel; Eurostar, Ipsos Mori; JWT; Pagefield; Brown Lloyd James, Virgin Media, Pew Research Trust, Oxford's Said Business School and City of London Corporation. Our Founding Partner is Vodafone.*
