

Soft Power. Hard Facts. A Network Beyond Brexit.

The world is changing. Very fast. For Britain, British-based brands and businesses, Brexit adds a new, complex dimension.

Networking Nations from Editorial Intelligence helps build new networks beyond Britain and provides cut-through clarity on the key players, issues and developments.

Founding Members: *Aspall; British Banker's Association, Clear Channel; Eurostar, Ipsos Mori; JWT; Pagefield; Vodafone.*

Networking Nations allows senior executives to stay connected to an important network of diverse experts, both peers and people who open up new avenues and ideas. Core Benefits:

- Monthly breakfast discussion salons with key speakers (see www.networkingnations.eu) in London.
- Occasional briefing salons in Brussels, Amsterdam, New York & Dublin.
- Snapshot summary digest of what's being said, by whom, where.
- Member-only country-briefings of key coverage of Brexit.
- Bespoke introductions across our influential global network.

Who joins Networking Nations? Organisations in Diplomacy, Academia, Culture, Digital, the City, Law, Retail, Recruitment, Communications & Policy.

Costs for 2017

Observer Membership: £6,000 plus VAT per annum. Up to 3 guests per event.

Participant Membership: £10,000 plus VAT per annum. As above plus speaker opportunities and distribution of selected publications, to the overall Network.

Please see overleaf for sample participant list.
